

Health Insurance Marketplace

All health plans offered on the Marketplace must cover a comprehensive set of benefits:

- Doctor visits
- Hospital stays
- Wellness care
- Prescriptions
- Emergency services
- Maternity and newborn care

Here are the most important dates for 2015 coverage:

December 15, 2014: The last date to enroll for coverage that starts January 1, 2015.

December 31, 2014: Date when all 2014 Marketplace coverage ends, no matter when you enrolled.

January 1, 2015: The date 2015 coverage can start if you apply by December 15, 2014, or if you accept automatic enrollment in your 2014 plan or a similar plan.

February 15, 2015: The last day to enroll in 2015 coverage. If you miss this deadline, you can't sign up for a health plan inside or outside the Marketplace for the rest of 2015. The only exception is if you qualify for a Special Enrollment Period.
